## About Me

"I am a Frontend Developer skilled in React, JavaScript, HTML, and CSS. I am currently doing a 3-month internship at Creative IT Institute under the EBT project. I enjoy creating clean and responsive interfaces and am learning backend technologies to become a full-stack developer."

## Education

- Diploma in Full Stack Development with REACT**  
*Creative IT Institute* 2024 - Running  
A practical training program covering React, JavaScript, HTML, CSS, and essential backend concepts. It helped me gain real project experience and build modern, responsive web applications.
- B.Sc. in Computer Science & Engineering (CSE)**  
*Dhaka University* 2018- 2024  
A structured program focusing on core computer science concepts like programming, algorithms, data structures, and software development. It strengthens my technical foundation and problem-solving skills.

## Experience

- Frontend Developer Internship (3 Month)**  
*Creative IT Institute* 2025  
Worked on the EBT project, building responsive and dynamic web interfaces using React and JavaScript. Gained hands-on experience converting Figma designs into functional web pages.
- Teacher (4 Years)**  
*ERGO Academic Care* 2022- 2025  
Taught ICT to students, prepared study materials, and guided them for exams. Developed strong communication, leadership, and mentoring skills.

## Skills

- Website Design & Development
- Responsive & Dynamic Websites
- Figma to HTML/CSS Conversion
- Build Dynamic Website
- Git & Github
- API Integration (Fetch, Axios)
